**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

Dear Sir:

In accordance with 37 C.F.R., § 1.56, 1.97, and 1.98, disclosure is made of the following known related references uncovered in the International Search Report performed in the related European patent application and listed in the accompanying Information Disclosure Citation, Form PTO-1449. Inclusion of such patents and/or publications herein is solely for the purpose of satisfying Applicant's duty of candor to the Patent and Trademark Office, and should not be construed as any admission by Applicant as to the relatedness of the art(s) involved or as to the relevance of any of the citations.

According to the announcement made via the USPTO website entitled "Information Disclosure Statements May Be Filed Without Copies of U.S. Patents and Published

Application No. 10/720,616

Should there be any remaining or further questions, the Examiner is requested to please contact the undersigned directly. It is not believed that any additional fees are due. However, in the event additional fees are due, the Examiner is hereby authorized to charge Applicant's Attorney's Deposit Account No. 03-2030.

Respectfully submitted,
